THIS AMENDMENT TO NOTICE OF INTENT TO AWARD (the “Amendment”) is issued to clarify and supersede, solely with respect to the order and status of the identified subcontractors, the Notice of Intent to Award dated October 14, 2026. BDO hereby states its present intent to issue subcontract awards as follows:

Subcontractor	Award Status
Ducky	Primary Awarded Subcontractor
JWTC	Tier 2 (Back-Up) Awarded Subcontractor

AWARD DESIGNATION AND ORDER OF PERFORMANCE. Ducky is designated as the primary awarded subcontractor and shall have first priority for the assignment and performance of work arising under the contemplated subcontract, subject to execution of a definitive subcontract agreement, satisfaction of all applicable conditions, and the availability and allocation of work by BDO. JWTC is designated as the Tier 2 (back-up) awarded subcontractor. JWTC’s designation does not confer a guarantee of any minimum quantity, scope, value, or assignment of work and may be utilized, in whole or in part, only if and when BDO determines, in its sole discretion and consistent with applicable procurement requirements, that additional capacity, replacement performance, schedule support, geographic coverage, or other program needs warrant such utilization.

NO OTHER MODIFICATION. Except as expressly amended herein, all remaining terms, notices, procedures, and deadlines stated in the original Notice of Intent to Award remain unchanged and in full force and effect. In the event of any conflict between this Amendment and the original Notice of Intent to Award concerning the selection priority or status of Ducky and JWTC, this Amendment shall control.

ACKNOWLEDGMENT: Each proposer shall be notified of the official intent to award.
